

# COVID-19 TRAINING

Safetech has developed three short videos to inform your staff of the coronavirus hazards.

These are:

- a. Employee instruction video on COVID-19 and their duties (Available in English and isiXhosa)*
- b. How to put on and take off a respirator*
- c. How to wash your hands properly*

The COVID-19 video consists of the following information:

- What is a Pandemic?
- What is COVID-19?
- How is COVID-19 Spread?
- Symptoms
- How is COVID-19 Diagnosed?
- Routine Cleaning
- Treatment
- How to Prevent or Reduce Risk of Infection
- Worker Risk of Exposure
- How to Control the Virus
- How Soap Destroys the Virus

The three video's cost R1900-00 plus VAT. You will receive both language versions of the COVID-19 video. Please send an email to [info@safetech.co.za](mailto:info@safetech.co.za) if you wish to purchase the videos.
